CONTRACT NO. _____

AGREEMENT

FOR

SUPPLEMENTAL STAFFING SERVICES
[ARIZONA REGION]

between

BROADLANE, INC.

and

dba

DATED: August 15, 2006

This Agreement for Supplemental Staffing Services (the "Agreement"), effective as of August 15th, 2006 (the "Effective Date"), is between Broadlane, Inc., a Delaware corporation with offices at 13727 Noel Road, Suite 1400, Dallas, Texas 75240 ("Broadlane"), and _____ dba _____, a _____ with offices at _____, _____ ("Agency"), and remains in effect for one year commencing on the Effective Date and expiring on August 14, 2007 (the "Term"). If neither party gives written notice to the other party at least 90 days before the expiration date of the Term, this Agreement will renew automatically for an additional year, which year will be a part of the Term, but the total Term of this Agreement must not exceed two years from the Effective Date. Broadlane and Agency agree as follows:

SECTION 1

ORGANIZATION AND BACKGROUND

1.1 Definitions.

1.1.1 Broadlane Customer. "Broadlane Customer" means any health care provider (including, but not limited to, any hospital, physician office, nursing home, ambulatory surgery center, home care agency, diagnostic imaging center, long-term care facility, etc.) for whom Broadlane provides services in connection with this Agreement and that designates Broadlane as its contracting agent. "Broadlane Customer" also includes a parent corporation of a health care provider that enters into an agreement with Broadlane designating Broadlane as the purchasing agent of the health care provider.

1.1.2 Customer. "Customer" means any Broadlane Customer that may purchase Services under this Agreement. A list of Customers, current as of the Effective Date, is set forth on Exhibit E. In Broadlane's sole discretion, Broadlane may revise the list of Customers at any time by providing a revised Exhibit E to Agency.

1.1.3 Service. "Service" means any service listed on Exhibit A, and includes any Staff Booking performed by any Booked Staff.

1.1.4 Staff Booking. "Staff Booking" means the specific components of any Services that Customer orders from Agency. Each Staff Booking entails: (a) the Staff Classification that the Customer specifies and that the Booked Staff must satisfy, (b) the designated Customer facility and Customer unit or department where the Booked Staff is scheduled to perform the Services, (c) the Guaranteed Minimum Hours that the Customer selects (if applicable), and (d) the shift or shifts that the Customer schedules the Booked Staff to perform as part of the Services. For the avoidance of doubt, a shift is a subpart of a Staff Booking; conversely each Staff Booking is comprised of one or more shifts.

1.1.5 Staff. "Staff" means any person that Agency may assign to perform any Services.

1.1.6 Booked Staff. "Booked Staff" means any Staff whom Agency assigns to perform any Staff Booking. All Booked Staff are one of the following: Traveler Staff, Local Long Term Staff, or Per Diem Staff.

1.1.7 Traveler Staff. "Traveler Staff" means any Booked Staff assigned to a Traveler Assignment.

1.1.8 Local Long Term Staff. "Local Long Term Staff" means any Booked Staff assigned to a Local Long Term Assignment.

1.1.9 Per Diem Staff. "Per Diem Staff" means any Booked Staff that are neither Traveler Staff nor Local Long Term Staff.

1.1.10 Other Definitions. All capitalized terms not otherwise defined have the meanings given to them in Exhibit B.

1.2 Group Purchasing Agreement. This Agreement is a group purchasing agreement through which any Customer may elect to purchase Services from Agency.

1.3 Broadlane. Broadlane negotiates contracts for certain products and services on behalf of the Broadlane Customers. Broadlane negotiated and entered into this Agreement as the contracting agent of the Broadlane Customers, but is not a purchaser of the Services. Except as set forth in this Agreement, Broadlane has no liability, responsibility, or performance obligations to Agency relating to any Services.

1.4 Customers. Any Customer may elect to purchase Services under this Agreement, but this Agreement neither (a) obligates any Customer to purchase the Services, nor (b) precludes any Customer from purchasing Services from another vendor of similar services. A Customer automatically becomes bound by the terms and conditions of this Agreement by purchasing Services under this Agreement. Each Customer is liable directly to Agency for all payments and any other obligations with respect to Services.

1.5 Agency. Agency sells the Services and enters into this Agreement to offer the Services for sale to all Customers. Agency may also desire to access the Web-Based E-commerce System, so that Agency can offer Services to the Customers through electronic means.

1.6 Exhibits.

1.6.1 Services and Pricing. The Services and pricing for the Services are set forth on Exhibit A. The charge for Services is calculated based on the specifications of

the Staff Booking, such as the Staff Classification, the scheduled shift or shifts, and the others factors set forth in the tables on Exhibit A.

1.6.2 **Staff Classifications.** Staff Classifications (such as RN, LVN, Respiratory Technician) and the corresponding minimum Job Specifications (such as certification, experience level, and other credential requirements mandatory for each Staff Classification) are set forth on Exhibit F.

1.7 Services Specific Terms and Conditions. Additional Terms and Conditions related to the specific Services covered by this Agreement are attached as Exhibit D.

1.8 Agency Diversity. Additional Agency Diversity terms are attached as Exhibit G. Agency must make disclosure required by Exhibit G within a reasonable time after the Effective Date unless Agency has submitted a disclosure within the last 12 months and that disclosure remains substantially accurate.

1.9 Customer-Specific Exhibits. Any other terms set out on a Customer-Specific Exhibit, if any, apply to that Customer, and the terms of that Customer-Specific Exhibit control in the event of a conflict with the rest of this Agreement.

SECTION 2

CUSTOMERS

2.1 Third-Party Beneficiary. Broadlane and Agency are entering into this Agreement for the express, intended benefit of the Customers, Broadlane, and Agency. Each Customer is an intended third-party beneficiary of this Agreement. Each Customer may enforce the terms and conditions of this Agreement that affect that Customer. Except as provided in this Section 2.1, there are no other third-party beneficiaries of this Agreement.

2.2 Termination of Existing Contracts. Any Customer wishing to purchase any Service under this Agreement may, at its option and without any penalty or cost, terminate any existing contract or other arrangement with Agency for the same Services. Agency must not directly or indirectly contract with any Customer for the Services during the Term unless (1) it is specifically requested to do so by Customer in writing and (2) Broadlane confirms in writing that such arrangement is permitted.

2.3 Qualification for Participation. Any Customer (including any entity that becomes a Customer after the Effective Date) may elect to purchase Services pursuant to the terms and conditions of this Agreement. Agency must not allow any Customer that withdraws or is terminated as a Customer to purchase Services pursuant to the terms and conditions of this Agreement.

SECTION 3

AGENCY

3.1 Duty to Sell. Except as set forth in Section 2.3 and subject to Agency's reasonable credit requirements, Agency must offer to sell the Services to any Customer electing to purchase Services except as limited in Section 4.5.

3.2 Employment Status of Staff. Agency is each Staff's (including each Booked Staff's) sole employer under this Agreement, and is solely responsible for full compliance with, and satisfaction of, all tax, wage and hour, workers' compensation, and other legal obligations relating to that employer-employee relationship. No Staff is (a) an employee of Customer or Broadlane, or (b) an independent contractor of Agency, Customer, or Broadlane. For the avoidance of doubt, neither Broadlane nor any Customer is liable to any Staff or to Agency for any Staff's wages, salary, overtime pay, benefits, reimbursement for business expenses, or any other Staff compensation.

3.3 Business Continuity/Disaster Plan. As a supplier to the health care industry, Agency realizes the importance of health care delivery during disasters. Agency must have a written business continuity/disaster recovery plan, for which Agency must maintain and test all critical components on a regular basis. Agency's failure to restore its performance of its obligations under this Agreement within 30 days after an event requiring it to implement the business continuity/disaster recovery plan is a material breach of this Agreement. Agency's performance of its obligations under this Section 3.3 (other than any obligation to pay money or issue credit) is excused to the extent performance is prevented by an act of God or the public enemy, insurrections, riots, labor strikes, walkouts, or lockouts, fire, explosion, flood, government order, or other unforeseeable causes beyond the control and without fault or negligence of the Agency. The Agency must give prompt written notice to Broadlane of the cause and take whatever reasonable steps necessary to relieve the effect of the cause as rapidly as possible.

3.4 Notification to Broadlane of Circumstances That Could Affect Services. Agency must notify Broadlane in writing at least 30 days before (or as soon as possible if 30 days' advance notice is not practicable) of any change in circumstances relating to Agency's business that could affect the Services, such as any change to Agency's ownership or corporate structure.

SECTION 4

PURCHASING SERVICES

4.1 Pricing.

4.1.1 Firm Pricing. Exhibit A sets forth the formula for calculating the pricing for each Service. Agency must not increase these prices during the Term, but Broadlane and Agency may review the pricing offered under this Agreement within 30 days prior to the anniversary of the Effective Date or any time mutually agreed upon by Broadlane and Agency, and may mutually agree to amend Exhibit A to implement revised pricing on the anniversary of the Effective Date or any time mutually agreed upon by Broadlane and Agency. Agency may decrease the prices set forth on Exhibit A upon written notice to Broadlane, and this notice must include a proposed amended Exhibit A in electronic format. Agency must not charge or invoice Customer for any fees, charges, costs or expenses, except as set forth on Exhibit A or otherwise expressly permitted under this Agreement.

4.1.2 Taxes.

4.1.2.1 Sales Taxes. Agency must calculate and pay any applicable local and state sales tax or other taxes with respect to the direct purchase of any Service. Unless the applicable Customer is tax-exempt, Agency may invoice the Customer for these taxes if (a) the taxes are correctly reflected as a separate line item on the invoice, and (b) Agency, at least 30 days prior to providing any Services for which the tax may apply, provides to Broadlane and to Customer written documentation evidencing Agency's legal obligation to pay the applicable taxes.

4.1.2.2 Income and Employment Taxes. Agency must calculate and pay any applicable employment and income taxes, social security taxes, and any other taxes with respect to each Staff and the Staff's employment. For the avoidance of doubt, any taxes on any Staff's income are not taxes on Customer purchases, and Agency must not invoice Customer for any income taxes, social security taxes, or any other employment-related taxes.

4.2 Requesting Staff (Placing Purchase Orders). Any Customer may request Agency to perform any Service, such as a Staff Booking, through the Web-Based E-commerce System (if applicable), by telephone, fax, or through electronic order entry directly through Agency.

When ordering any Services, Customer must specify all known aspects of the Staff Booking, including: (a) the Staff Classification that the Booked Staff must satisfy; (b) the current shift schedule, setting forth the dates and times of the Services that the Booked Staff must provide; (c) the Customer facility and department where the Booked Staff must provide the Services; and (d) the Guaranteed Minimum Hours, if any. For

the avoidance of doubt, if a Customer submits a request to Agency requesting that the Agency provide Staff to perform a Staff Booking, that Customer's request constitutes a purchase order.

Customer may schedule Staff Bookings to take place on any dates and at any time. There are no minimum order requirements or fees for any Service order except as set forth in Section VI.B of Exhibit D. In addition, Agency must use commercially reasonable efforts and good faith to use and support any other electronic ordering system Broadlane designates from time to time.

4.3 Providing Staff. Agency must use best efforts to fulfill any order for Services only with a Booked Staff that meets the Staff Classification's Job Specifications set forth on Exhibit F. Agency must use best efforts to fulfill the Staff Booking within the timeframe that the Customer specifies. Additionally, if Customer requests a specific Staff for the Staff Booking, then Agency must use best efforts to assign the requested Staff to the Staff Booking if the requested Staff is available.

4.4 Invoices.

4.4.1 Invoice Submissions.

4.4.1.1 Invoicing Customers. Agency is solely responsible for invoicing the Customers for Services. If Agency issues any invoices to Customer, Agency must submit the invoice to Customer within seven days of the last day of the Payroll Period that the Services appearing on the invoice are performed in. Agency must also provide a copy of the Booked Staff's timesheet or other timekeeping record signed by Customer or otherwise reflecting Customer's written acknowledgement that the Booked Staff worked each of the scheduled shifts for which Agency is invoicing the Customer.

4.4.1.2 Verification of Reverse-Invoices. Agency is solely responsible for verifying any remittance advice documents or other reverse-invoice documents generated by any Customer or by any billing system such as the Web-Based E-commerce System. If Agency submits any remittance advice corrections or other reverse-invoice corrections to Customer, Agency must submit the corrections to Customer within seven days of receiving the remittance advice or reverse-invoice from the Customer. Customer shall provide a copy of the Booked Staff's timesheet or other timekeeping record signed by Customer or otherwise reflecting Customer's written acknowledgement that the Booked Staff worked each of the scheduled shifts for which the Customer is submitting a remittance advice or reverse-invoice.

4.4.2 Invoice Format. Unless the Customer requires Agency to provide different information, Agency must accurately set forth each of the following as a separate line item for each shift worked by each Booked Staff on each invoice that Agency issues to Customer:

- Line Item: Booked Staff's name;
- Line Item: Dates Booked Staff worked;
- Line Item: Staff Booking's Staff Classification (e.g. RN- Category I);
- Line Item: Total time Booked Staff worked in the Staff Classification during the applicable Payroll Period (e.g. 8.2 hours);
- Line Item: Actual time Booked Staff worked in the applicable Staff Classification during the applicable Payroll Period (e.g. 3:00p.m. to 11:00p.m.);
- Line Item: The Base Bill Rate applicable to the Staff Booking;
- Line Item: The Adjusted Base Bill Rate, if applicable to the Staff Booking;
- Line Item: The Adjusted Bill Rate-A, if applicable to the Staff Booking;
- Line Item: The Adjusted Bill Rate-B, if applicable to the Staff Booking;
- Line Item: The Adjusted Bill Rate-C, if applicable to the Staff Booking;
- Line Item: The Local Long Term Assignment Discount, if applicable to the Staff Booking, and the resulting Local Long Term Rate;
- Line Item: The Early Payment Discount, if applicable to the Staff Booking, and the resulting early payment rate
- Line Item: The Customer unit or department in which the Booked Staff worked (e.g. ICU); and
- Line Item: Name of Customer's representative who approved Overtime, if Agency is invoicing Customer for any Overtime.

Customer has no duty to pay for any Services that are not correctly set forth on a timely invoice from Agency that meets these requirements.

4.5 Payment. A Customer must pay for an ordered Service within 45 days after the Customer's receipt of an invoice that meets the requirements set forth in Section 4.4.2. Agency may discontinue providing Services to any Customer, but only if (a) that Customer fails to make an undisputed payment for Services within 45 days of receipt of invoice, and (b) Agency provides at least one week's prior notice to Broadlane that Agency intends to discontinue the Services to that Customer. Agency must immediately reinstate Services to that Customer once the Customer makes all past-due payments.

4.6 Terms and Conditions Governing Staff Bookings. If a Staff Booking is scheduled to begin during the Term, or is extended during the Term, and continues beyond the Term, then the Staff Booking is governed by the terms and conditions of this Agreement until the completion of the Staff Booking, and all terms and conditions applicable to the Staff Booking survive the Agreement's expiration or earlier termination.

4.7 Supplemental Staffing Services. Additional terms and conditions related to the Services are set forth on Exhibit D.

4.8 Services Warranty. Agency represents and warrants that: (a) its employees and representatives have the skills and qualifications necessary to perform Services (including all Service-related support services under this Agreement) in a timely, competent, and professional manner in accordance with the highest industry standards and all applicable governmental requirements, laws, ordinances, rules, and regulations; and (b) Agency is able to fulfill the technical service requirements and all other services requirements of this Agreement. These warranties are in addition to any warranties provided at law or in equity.

SECTION 5

ADMINISTRATIVE FEES

5.1 Calculation of Administrative Fees. Each month, Agency must pay Broadlane a fee equal to 3% of the aggregate purchase price paid for all Services that Customers paid under this Agreement during the prior calendar month, less any credits and returns (the "Administrative Fee"). Agency must pay the Administrative Fee no later than 30 days after the end of each applicable calendar month. Agency must only pay an Administrative Fee on a Customer's purchases of Services pursuant to the terms and conditions of this Agreement, any related agreement, any related promotion under this Agreement, or any other applicable written agreement between Broadlane and Agency.

5.2 Administrative Fee Payments. Agency must pay to Broadlane interest on any past due Administrative Fee owing to Broadlane under this Agreement at the lesser of (a) 1.50% per month or (b) the maximum interest rate legally permitted. Agency must send to Broadlane all Administrative Fee payments due to Broadlane at the addresses set forth below:

SECTION 6

TERMINATION

6.1 Termination for Breach. If any party asserts that another party committed a material breach of this Agreement (including any failure to pay Administrative Fees), then the non-breaching party must notify the breaching party in writing of the specific breach and request that it be cured. If the breaching party does not cure the breach

within 30 days after notice, then the non-breaching party may terminate this Agreement without cost or penalty by sending written notice to the breaching party.

6.2 Termination for Ineligibility. Broadlane may immediately terminate this Agreement if Agency or any of Agency's key personnel (including Staff) is convicted of an offense related to health care or listed by a federal agency as being debarred, excluded, or otherwise ineligible for federal program participation.

6.3 Termination for Unacceptable Risk. Without cost or penalty, Broadlane may immediately terminate this Agreement as to any Customer or in its entirety upon written notice to Agency if, in Broadlane's sole discretion: (a) this Agreement poses unreasonable risk to Broadlane or any Customer, (b) Agency's connection or association with Broadlane or any Customer creates undesirable attention or publicity for Broadlane or the Customer, or (c) this Agreement, Agency's conduct, or Broadlane's association with this Agreement becomes unacceptable, undesirable, or otherwise objectionable to Broadlane or to any Customer.

6.4 Effect of Termination. The termination of this Agreement by either party (a) does not excuse either party from performing any duty or obligation assumed under this Agreement before termination, (b) does not have the effect of waiving any right either party may have to obtain performance, and (c) does not preclude the non-breaching party from pursuing any and all remedies available to it at law or equity.

SECTION 7

REPORTING REQUIREMENTS

7.1 Periodic Reporting. Accompanying each Administrative Fee payment, Agency must provide Broadlane with a Sales Data Report in an electronic format, which is subject to revision from time-to-time.

SECTION 8

8.2 Visitation Policies. In connection with sending a Representative to visit any Customer, Agency and its Representative must comply with that Customer's visitation policy. For purposes of convenience only and upon Agency's request, Broadlane may provide a copy of any visitation policies submitted by certain Broadlane Customers if Broadlane has the policies on file. Broadlane makes no representations regarding the completeness, currency, or content of this list of policies, and Broadlane recommends that Agency contact each Customer directly prior to any proposed visit to obtain a current copy of that Customer's visitation policy.

8.3 Controlling Terms. If there is a conflict between this Agreement and any other writing or correspondence between Agency, Broadlane, or any Customer, then the terms of this Agreement control. If there is an internal conflict of terms within this Agreement, then the term found in the part of this Agreement first listed below controls: the main body of the Agreement; the exhibits in order of priority as set forth in the table following the signature blocks; any other exhibits provided to Broadlane by Agency.

8.4 Entire Agreement. This Agreement may be executed in any number of counterparts, each of which is deemed an original but all of which constitute the same instrument. This Agreement, including all exhibits and attachments (all of which are incorporated in this Agreement by reference), constitutes the entire agreement on this subject and supersedes all previous and contemporaneous communications, representations, or agreements regarding the referenced subject matter. This Agreement may not be modified orally, and no modification, amendment, or supplement is binding unless it is in writing and signed by authorized representatives of Broadlane and Agency.

EXHIBIT A

SERVICES AND PRICING

Prorated Rates. All hourly rates are rounded to the nearest quarter-hour and prorated based on the amount of time worked by the Staff.

Odd Shifts or Off Shifts. The Bill Rate that is applicable during any time period defined on Exhibit B-1 is applicable only during that time period, regardless of whether the shift that the Staff is working crosses more than one of the defined time periods. For example, assume that: (a) the Customer defines Day as 7:00AM to 5:00PM, (b) the Customer defines Evening as 5:00PM to 9:00PM, (c) the Customer defines Night as 9:00PM to 7:00AM, and (d) a Staff begins a 12-hour shift at 4:00PM. Under this example, the Staff would work one hour during the Day, four hours during the Evening, and seven hours during the Night, and the applicable Bill Rate would be the Day Bill Rate for the first hour, the Evening Bill Rate during the next four hours, and the Night Bill Rate during the last seven hours.

Multipliers. Multipliers are to be applied individually and separately, and no more than one Multiplier may be applied to the same Bill Rate to calculate an Adjusted Rate. For example, either the Call-Back Multiplier, or the Holiday Multiplier, or the Overtime Multiplier may apply, but none of these may be applied together.

11. Verify any other required certification documents if requested by the Customer;

Agency must ensure that all background investigations comply with the FCRA, and must release the findings of the background investigation to Customer, upon Customer's request, to the extent permitted or required by law. If any Staff reports for any Staff Booking before the Agency has performed the investigation or verified the information as required under this Section I.A, Customer may immediately terminate or cancel the Staff Booking without cost or penalty and the requirements set forth under Section VI.B of this Exhibit D do not apply.

B. Staff Professional Qualifications. If applicable to Staff Booking, in the discretion of the Customer, Agency represents and warrants that each Booked Staff meets the following minimum qualifications:

1. Booked Staff possess all requisite professional licenses and certifications, including current CPR certification, and these licenses and certifications are current;

In addition, Customer may require Agency to provide proof of any Booked Staff's compliance with any other legal or regulatory requirements that relate to any Staff Booking at no additional charge. Customer must notify Agency at time of Staff request of such requirements otherwise Agency may charge Customer for additional costs incurred by said requirements. Customer has no duty to pay Agency for any Staff that does not meet all of the qualifications set forth in this Section I.B and any additional qualifications as communicated by Customer or Broadlane to Agency on an annual basis or at the time of Customer's request of Staff, regardless of whether the Staff actually performs any Services.

C. Health Screening. If applicable to Staff Booking, in the discretion of the Customer, Agency must conduct the health screenings as described in this Section I.C. Agency must assure that Staff has had all immunizations, diagnostics, and examinations as required by applicable law, including but not limited to the health screenings as described in this Section I.C.

1. **Current Health and Physical Limitations.** Agency must maintain records regarding each Staff's current health, and must obtain a release from each Booked Staff permitting Customer access to the Booked Staff's health history to the extent permitted by the ADA, the Rehabilitation Act, or any other applicable federal or local law or regulation. Prior to the first day of any Staff Booking, Agency must notify the Customer of any physical limitations that may affect a Booked Staff's performance of Services, to the extent permitted by the ADA, the Rehabilitation Act, or any other applicable federal or local law or regulation. Agency must maintain all records provided by the Booked Staff under this Section I.C for the duration of each Staff Booking and as required by any applicable law or regulation. If requested by Customer, Agency must retain an independent third-party agent at no additional charge to verify the authenticity of the records provided by the Booked Staff for any Staff Booking provided to Customer under this Section I.C.

2. **Tuberculosis Screening.** Agency must ensure that each Booked Staff has undergone PPD skin testing or had a chest x-ray within the 12 months immediately preceding any Staff Booking. If any Staff experiences or reports any symptoms indicating the Staff is positive for tuberculosis, Agency must ensure that the Staff undergoes additional skin testing or chest X-rays at no additional charge, and must ensure that (a) the results indicate that the Staff is free from active tuberculosis, or (b) if the x-ray or skin test is positive for tuberculosis, the Staff has completed a tuberculosis consult form before continuing or reporting for any Staff Booking.

3. **Immunization Records.** Each Booked Staff, prior to beginning any Staff Booking or within the timeframe determined by the applicable Customer, must provide to Agency records that establish the following:

- (a) The Staff is free of tuberculosis or has had a tuberculosis consult as set forth in Section I.C.2 of this Exhibit D;
- (b) The Staff has been immunized against Hepatitis B, or has declined in writing to be immunized against Hepatitis B after being advised of the risks of declining the immunization as required under OSHA regulations and any applicable local laws or regulations;

Agency must maintain all records provided by the Booked Staff under this Section C.3 for the duration of each Staff Booking and as required by any applicable law or regulation. If requested by Customer, Agency must retain an independent third-party agent at no charge to Customer to verify the authenticity of the records provided by the Booked Staff for any Staff Booking provided to Customer under this Section C.3.

D. Eligibility and Ongoing Duty to Ensure Eligibility. Customer, in its sole discretion, may, without cost or penalty, reject any Staff for any Staff Booking. Additionally, Agency must not assign any Staff to perform any Services if:

1. the Staff has been convicted of a felony;
2. the Staff has a verified positive drug screen result;
3. the Staff has any history of child abuse, child endangerment, or is a registered sex offender;
4. the Staff has misrepresented to Agency or Customer any information related to the Staff's former employment or other background;
5. the Staff has been debarred, excluded, or is otherwise ineligible for any federal or state health care reimbursement program participation; or
6. the Staff is ineligible to work in the United States or fails to provide the Agency with proper documentation demonstrating that the Staff is eligible to work in the United States.

At Customer's request, Agency must provide Customer with written confirmation that the background check performed by Agency under Section I.A of this Exhibit D did not reveal any circumstances that would render the Staff ineligible to perform Services under this Section I.D.

E. Ongoing Duty to Inform Customer of Staff Professional Status. At a minimum, Agency must notify Broadlane and each Customer in writing within three days of the occurrence of any of the following:

1. Agency's or Booked Staff's professional license lapses or is denied, suspended, revoked, terminated, relinquished, or made subject to probation or any other restriction;
2. Agency or Booked Staff, or the respective underwriter, has been ordered to pay damages in any malpractice action (whether by way of settlement or judgment) of which Agency has actual or constructive knowledge;
3. Agency or Booked Staff has become the subject of a disciplinary procedure of which Agency has actual or constructive knowledge
4. Agency or Booked Staff becomes involved in any event that may materially and adversely affect Agency's or the Booked Staff's ability to perform any obligation under this Agreement; or
5. The Booked Staff becomes ineligible under Section I.B of this Exhibit D.

II. ORDERING SERVICES (REQUESTING STAFF BOOKINGS)

A. Authority to Request Staff. Only Customer's Chief Nursing Officer or Chief Nursing Executive, or his or her designee is authorized to order Services; Customer has no duty under this Agreement to pay for any Services requested by any other person.

B. Staff Profiles. Agency must submit any Staff profiles that Customer requests to the facsimile number, electronic mail address, or Web-Based E-Commerce System designated by the Customer within a commercially reasonable timeframe. If Agency provides any Staff profiles to Customer, then Agency must also notify Customer at that time:

1. Whether the Staff has worked or is currently working for that Customer (including for other facilities owned or managed by the Customer); and

2. Whether the Customer has asked that the Staff not return or not be assigned to perform any additional Services or other work for that Customer (including for other facilities owned or managed by the Customer). If Agency fails to disclose the information required under this Section II.B prior to the first day of any Staff Booking, then Customer is not liable for payment for any part of that Staff Booking.

C. Assignment of Duties. Customer, in its sole discretion, may assign to the Booked Staff any duties related to the Staff Booking, including specific tasks, shifts, assignments, time clock instructions (also known as time capture systems instructions or check-in/check-out instructions) and dress codes. Customer may also require Booked Staff to wear visible photo-identification in accordance with any Customer policy. If any Booked Staff refuses any reasonable and lawful Customer instruction related to the Staff Booking (including any reassignment described in Section III.G of this Exhibit D), Customer may immediately terminate the Staff Booking without cost or penalty and the requirements set forth under Section VI.B of this Exhibit D do not apply. Customer must pay for any hours worked up until time of dismissal.

D. Staff Conduct. Booked Staff must comply with all Customer policies, procedures and standards of conduct. Customer has no obligation to pay Agency for time worked during a shift of a Staff Booking by any Booked Staff if during that time, the Booked Staff fails or refuses to comply with any Customer policy, procedure, or standard of conduct. For any act or omission committed by Booked Staff or allegedly committed by Booked Staff that leads to a licensing board investigation, hearing, or other proceeding, Agency must pay for all expenses relating to the investigation, hearing, or proceeding, and Customer has no liability to Agency or Booked Staff for these expenses. Except as required by law, Agency must not involve Customer's staff, employees, volunteers, agents, or records in any such investigation.

E. Notification of Float Policy. Upon assigning Staff to any Staff Booking, Agency must inform the Staff (now Booked Staff) of Customer's float policy, as further described in Section III. G of this Exhibit D.

F. Termination or Cancellation for Misconduct. Agency must not invoice Customer for any time of a shift of a Staff Booking provided by a specific Booked Staff if such Booked Staff has engaged in Misconduct for any time of that shift of a Staff Booking, and Customer identifies the nature of the Misconduct in a written notice to Agency. Customer may immediately terminate the Staff Booking without cost or penalty and the requirements set forth under Section V.I.B of Exhibit D do not apply.

"Misconduct" means any of the following:

1. the Booked Staff does not meet the requirements set forth in Section I of this Exhibit D;
2. the Booked Staff is unwilling or unable or not competent to perform the duties of the Booked Staff Booking;
3. the Booked Staff engages in unprofessional conduct, including but not limited to breach or neglect of duty and violation of any Requirements;
4. the Booked Staff is absent from the Booked Staff Booking during a scheduled shift without Customer's prior written approval;
5. the Booked Staff is insubordinate;
6. the Booked Staff engages in substance abuse;
7. the Booked Staff fails to comply with his/her obligations under OR terms of this Agreement applicable to Booked Staff;
8. the Booked Staff violates any Customer rule or regulation described in Section VII of this Exhibit D.

III. MANAGEMENT OF STAFF BOOKINGS

A. Staff Evaluations. Customer may require Agency to conduct annual performance reviews of each Staff at no additional charge. If Agency is required to conduct any annual performance review, Agency warrants that it conducts the performance review in a commercially reasonable manner.

B. Skills Testing. Customer may, but has no obligation, to require any Booked Staff to complete a medicine test or other skills test related to the Staff Booking. At Customer's request, Agency must administer these tests at no additional charge.

C. Drug Testing. Customer may require any Booked Staff to undergo for-cause drug testing at Agency's expense. If any Booked Staff refuses a for-cause drug test, or if any drug test reveals any drug use, Customer may immediately terminate the Staff Booking without cost or penalty and the requirements set forth under Section VI.B of this Exhibit D do not apply.

D. In-Service Training. Agency must maintain current records of each Booked Staff's professional in-service training obligations and of any actual in-service training completed by the Booked Staff. Customer may, but is under no obligation to, provide in-service training to Booked Staff.

E. Orientation.

1. Customer may require Booked Staff to undergo up to (8) eight hours of orientation, at no charge to the Customer, prior to a Booked Staff's first Staff Booking at any Customer facility. In Customer's sole discretion, orientation may include classroom time, completion of a self-study packet or working a buddy shift together with one of Customer's employees. Buddy shifts are for training purposes, and if the Booked Staff is assigned to work a buddy shift, the Staff does not carry a full patient load independent of the assigned training buddy during that buddy shift. Agency will not be required to pay for any orientation that exceeds (8) eight hours.

2. In Customer's sole discretion, Customer may provide additional in-service orientation on the first day of the Staff Booking; Customer is under no obligation to pay Agency for any in-service orientation time if the Booked Staff fails to complete the first day of the Staff Booking.

3. In addition, if Customer requires Agency to provide Staff with any Customer-specific (including facility-specific) information packet, the Staff must review the information packet prior to the first day of the Staff Booking at no additional charge. Upon reporting for the first day of a Staff Booking, the Booked Staff must certify in writing that he or she has received, read, and understands the information provided in the packet.

4. If Staff person does not attend or arrives late for a scheduled Orientation class, the Customer facility may deem it a "No Show," "Cancellation," or "Late Arrival," as those terms appear in Section IV. C-F of this Exhibit D and Customer Facility may charge Agency according to the penalties associated with Section IV. C-F of this Exhibit D.

5. Agency will receive payment for Orientation time only after Staff person has completed at least one shift of a Staff Booking.

6. Customer shall furnish Staff with orientation, competency assessment testing and training necessary for the Staff to perform the duties assigned by Customer.

F. HIPAA. Customer may provide training materials to Agency that Agency must provide to Booked Staff prior to the Booked Staff beginning a Staff Booking. If Customer provides these training materials to Agency, Agency must require the Booked Staff to review the training materials before reporting for the first shift of the Staff Booking.

G. Float Policy.

1. At any time during any Staff Booking, Customer may reassign the Booked Staff to a different Customer department, unit, facility, or to a different Staff Classification, if the Staff satisfies the requisite Job Specifications. Customer will notify Agency at time of Staff request to which facilities a Staff person may be required to float. If Customer reassigns a Booked Staff, the Booked Staff must perform the duties of the revised Staff Booking as if the revised Staff Booking were the original Staff Booking. Customer will provide the Booked Staff with adequate notice of the change in assignment and additional orientation regarding the revised Staff Booking if necessary, as determined in Customer's sole discretion.

2. If a Staff floats to a Staff Classification that has a lower Base Bill Rate or lower Adjusted Base Bill Rate, then the Base Bill Rate or Adjusted Base Bill Rate that was applicable to the original Staff Classification remains the applicable rate despite the reassignment. If a Staff floats to a Staff Classification that has a higher Base Bill Rate or higher Adjusted Base Bill Rate, then the Base Bill Rate or Adjusted Base Bill Rate that is applicable to the newly Booked Staff Classification is the applicable rate for as long as the Booked Staff continues to work in that Staff Classification.

3. If any Staff refuses any reassignment, then Customer may, without cost or penalty, (a) cancel or terminate either the first-assigned shift or the reassigned shift, or (b) cancel or terminate both the first-assigned shift and the reassigned shift.

4. If Customer reassigns a Booked Staff to a different Customer facility, then:

- (a) If the reassignment occurs after Staff has begun a shift, then (i) the Staff must travel directly to the newly assigned Customer facility by customer provided transportation, and must not make any detours unrelated to the reassignment, and (ii) Agency may invoice Customer for (x) the applicable Adjusted Bill Rate (multiplied by any applicable Local Long Term Assignment Discount) multiplied by (y) the Staff's actual travel time from the first facility to the reassigned facility.
- (b) If Customer provides notice to Agency or Booked Staff that a Booked Staff is reassigned to a different Customer facility at least two hours prior to the start time of the Booked Staff's next scheduled shift, then the Booked Staff must report to the reassigned Customer facility for the reassigned shift, and Agency must not invoice the Customer for any of the Staff's travel time.
- (c) If Customer does not provide at least two hours advance notice to Agency or Booked Staff of the Booked Staff's reassignment, then Agency may invoice Customer for (i) the applicable Adjusted Bill Rate (multiplied by any applicable Local Long Term Assignment Discount) multiplied by (ii) the Staff's actual travel time, if any, from the first facility to the reassigned facility.

H. Customer Hiring of Staff. Customer may hire any Staff at any time and for any employment relationship, with no cost or obligation to the Staff or Customer except that Customer may not hire a Booked Staff as an employee until the Booked Staff completes the current Staff Booking, if any.

IV. RULES CONCERNING ALL BOOKED SHIFTS

A. Early Termination or Dismissal of Staff Shift. A Customer may terminate a Staff's shift (of Staff Booking) before the scheduled completion time at no cost or penalty, but in accordance with the Guaranteed Minimum Hours as specified in Section VI.B. The Booked Staff must work any portion of the shift designated by Customer. For the avoidance of doubt, if the Staff leaves the shift before the scheduled end of the shift, with or without Customer approval, Customer does not owe any amounts for time not worked (Services not performed). Additionally, if the Staff leaves the shift before the scheduled end of the shift without Customer approval, then upon the Customer's request, Agency must remit to Customer (i) the applicable Adjusted Bill Rate (multiplied by any applicable Local Long Term Assignment Discount), (ii) multiplied by two hours.

B. Customer or Agency "Cancellation" or Termination of Shift. Customer or Agency may cancel a Booked Shift with two hours' advance notice without cost or penalty, but in accordance with the Guaranteed Minimum Hours as specified in Section VI.B. If either Customer cancels with less than two hours' advance notice, then Agency may invoice Customer for an amount equal to: the applicable Adjusted Bill Rate (multiplied by any applicable Local Long Term Assignment Discount), multiplied by two hours. If Agency cancels with less than two hours' advance notice, then Agency must remit to Customer: (i) the applicable Adjusted Bill Rate (multiplied by any applicable Local Long Term Assignment Discount), (ii) multiplied by two hours.

C. Staff Failure to Report On Time for a Booked Shift with Advance Notice ("Late Shows"). Except as set forth in Section IV.B and IV.E of this Exhibit D, if any Booked Staff (including Traveler Staff or Local Long Term Staff) fails to report to the appropriate Customer unit or department to perform Services within the first hour of the scheduled start time of any booked shift and gives notice in advance of the start time of the shift, then:

- 1. Customer, in its sole discretion, may permit the Booked Staff (including any substitute Booked Staff) to work the remainder of the Booked shift as scheduled (and for the avoidance of doubt: Customer does not owe any amounts for time not worked (Services not performed)); or
- 2. Customer, in its sole discretion, may immediately cancel or terminate the entire booked shift without cost or penalty, and the requirements set forth under Section VI.B of this Exhibit D do not apply; or
- 3. If requested by Customer, Agency must employ best efforts to provide a comparable substitute to perform the booked shift as soon as possible (and for the avoidance of doubt: Customer does not owe any amounts for time not worked (Services not performed)).

D. Staff Failure to Report On Time for a Booked Shift without Advance Notice ("Late Shows"). Except as set forth in Sections IV.B and IV.E of this Exhibit D, if any Booked Staff (including Traveler Staff or Local Long Term Staff) fails to report to the appropriate Customer unit or department to perform Services within the first hour of the scheduled start time of any booked shift and fails to provide advance notice, then upon the Customer's request, Agency must remit to Customer, by the end of the following Pay Period an amount equal to: (x) the applicable Adjusted Bill Rate, Traveler Rate, or Local Long Term Rate, whichever is applicable, multiplied by (y) the total number of hours in that shift not worked.

E. Staff Failure to Report for an Entire Booked Shift ("No Shows"). In addition to the requirements set forth in Sections IV.B and IV.E of this Exhibit D, if a Booked Staff fails to report for an entire booked shift, then Agency must employ best efforts to provide a comparable substitute to perform the Staff Booking within a timeframe that is acceptable to the Customer in the Customer's sole discretion. If Agency is unable to provide a substitute Booked Staff within a timeframe that is acceptable to the Customer in the Customer's sole discretion, then Agency must remit to Customer, by the end of the following Pay Period an amount equal to: (x) the applicable Adjusted Bill Rate, Traveler Rate, or Local Long Term Rate, whichever is applicable, multiplied by (y) the total number of hours in that shift.

F. Customer Late Booking of Staff Shift. If Customer orders Services less than two hours before the start time of the booked shift, and if a Booked Staff reports to the appropriate department or unit at the designated Customer location within the first hour of the scheduled shift start time, then Agency may invoice Customer for Services performed by the Booked Staff as if the Booked Staff reported to work at the scheduled start time of the shift. If Customer orders Services at any time after the start time of the Booked shift, and if a Booked Staff reports to the appropriate department or unit at the designated Customer location one or more hours after the scheduled shift start time, then Agency may invoice Customer for actual hours worked.

V. RULES CONCERNING TRAVELER OR LOCAL LONG TERM ASSIGNMENTS

A. Customer Cancellation or Termination of Traveler Assignment or Local Long Term Assignment. Customer may cancel or terminate a Traveler Assignment or Local Long Term Assignment without cost or penalty by notifying the Agency at least two weeks before the start date of the Traveler Assignment or Local Long Term Assignment or if the Customer assigns the Staff to a comparable Staff Booking with a comparable Bill Rate to be performed by the Traveler or Local Long Term Staff (1) at least one week prior to the first shift of the cancelled Staff Booking, or (2) within one week of the last shift worked by the departing Traveler Staff or Local Long Term Staff, whichever is later.

If Customer:

(1) cancels or terminates the assignment of any Traveler Staff or Local Long Term Staff, either during the Staff Booking or within the two weeks immediately preceding the Staff Booking, and

(2) fails to assign the Staff to a Staff Booking with a comparable Bill Rate to be performed by the Traveler or Local Long Term Staff (a) at least one week prior to the first shift of the Staff Booking, or (b) within one week of the last shift worked by the departing Traveler Staff or Local Long Term Staff, whichever is later, then

Customer must remit to Agency by the end of the following Pay Period an amount equal to: (x) the applicable Adjusted Bill Rate (multiplied by any applicable Local Long Term Assignment Discount) multiplied by (36) thirty-six hours times the number of weeks remaining in the Staff Booking, up to a maximum of (36) thirty-six hours..

B. Agency Cancellation or Termination of Traveler Assignment or Local Long Term Assignment. Agency may cancel or terminate a Traveler Assignment or Local Long Term Assignment without cost or penalty by notifying the Customer at least two weeks before the start date of the Traveler Assignment or Local Long Term Assignment or if the Agency provide Customer with a substitute staff of comparable skill level and qualifications (1) at least one week prior to the first shift of the cancelled Staff Booking, or (2) within one week of the last shift worked by the departing Traveler Staff or Local Long Term Staff, whichever is later.

If Agency:

(1) cancels or terminates the assignment of any Traveler Staff or Local Long Term Staff, either during the Staff Booking or within the two weeks immediately preceding the Staff Booking, and

(2) fails to provide Customer with a substitute staff of comparable skill level and qualifications, (a) at least one week prior to the first shift of the Staff Booking, or (b) within one week of the last shift worked by the departing Traveler Staff or Local Long Term Staff, whichever is later, then

Agency must remit to Customer by the end of the following Pay Period an amount equal to: (x) the applicable Adjusted Bill Rate (multiplied by any applicable Local Long Term Assignment Discount) multiplied by (36) thirty-six hours times the number of weeks remaining in the Staff Booking, up to a maximum of (36) thirty-six hours..

C. Agency Postponement of Traveler Assignment or Local Long Term Assignment. If Agency provides at least five days' advance notice to Customer that a Traveler Staff or Local Long Term Staff is not available to begin the Traveler Assignment or Local Long Term Assignment but that the Traveler Staff or Local Long Term Staff is available to begin the Traveler Assignment or Local Long Term Assignment within the first five days following the first scheduled shift of the Staff Booking or as otherwise agreed to by Customer and Agency, then except as set forth in Section IV.E of this Exhibit D:

1. Customer, in its sole discretion, may permit the Booked Staff to work the remainder of the Staff Booking as scheduled, and the time that the Booked Staff was absent from the scheduled shift is automatically subtracted from the Guaranteed Minimum Hours, if any;
2. Customer, in its sole discretion, may allow for a make-up shift in the same pay period and no time worked as a result of the make-up shift counts as Overtime; or
3. Customer, in its sole discretion, may decide to offer an extension of the Staff Booking by the same amount of time that the Booked Staff was absent from the scheduled shift or series of shifts. If Agency agrees to the extension, no time worked as a result of the extension counts as Overtime. If Agency does not confirm availability of Booked Staff for extension of the Staff Booking, then the time that the Booked Staff was absent from the scheduled shift or series of shifts is automatically subtracted from the Guaranteed Minimum Hours, if any, under this Section V.C.1.

In addition, if Agency does not provide at least five days' advance notice to Customer that a Traveler Staff or Local Long Term Staff is not available to begin the Traveler Assignment or Local Long Term Assignment by the scheduled start date, then except as set forth in Section IV.E of this Exhibit D:

1. Agency must provide a substitute within timeframe agreed upon by customer or;
2. Agency must remit to Customer (upon the Customer's request): the applicable Adjusted Bill Rate (multiplied by any applicable Local Long Term Assignment Discount) multiplied by (36) thirty-six hours, times the number of weeks remaining in the Staff Booking, up to a maximum of (36) thirty-six hours.

D. Customer Canceling of Traveler and Local Long Term Staff Shifts (Call-offs) During Assignment. In addition to any other rights the Customer has to cancel or terminate a Staff Booking or a particular shift or shifts, Customer may cancel or terminate one Traveler shift and one Local Long Term shift per four-week period without cost or penalty. For the avoidance of doubt, the hours not worked due to the cancelled or terminated shift count toward the Guaranteed Minimum Hours as if the Staff had actually worked those hours.

E. Agency Canceling of Traveler and Local Long Term Staff Shifts (Call-offs) During Assignment. If the Agency cancels a shift or series of shifts during any Traveler Assignment or Local Long Term Staff Assignment, then Customer, in its sole discretion, may do any or all of the following:

1. Customer, in its sole discretion, may permit the Booked Staff to work the remainder of the Staff Booking as scheduled, and the time that the Booked Staff was absent from the scheduled shift is automatically subtracted from the Guaranteed Minimum Hours, if any;
2. Customer, in its sole discretion, may allow for a make-up shift in the same pay period and no time worked as a result of the make-up shift counts as Overtime; or
3. Customer, in its sole discretion, may decide to offer an extension of the Staff Booking by the same amount of time that the Booked Staff was absent from the scheduled shift or series of shifts. If Agency agrees to the extension, no time worked as a result of the extension counts as Overtime. If Agency does not confirm availability of Booked Staff for extension of the Staff Booking, then the time that the Booked Staff was absent from the scheduled shift or series of shifts is automatically subtracted from the Guaranteed Minimum Hours, if any, under Section V.E.1.

F. Staff Illness Exception. Agency or Staff Person may, without cost or penalty, cancel one shift every four weeks in any Staff Booking, if Agency or Staff Person provides at least two hours' prior notice to the Customer. If Agency or Staff Person cancels any shift under this Section V.F., then:

1. Customer, in its sole discretion, may permit the Booked Staff to work the remainder of the Staff Booking as scheduled, and the time that the Booked Staff was absent from the scheduled shift is automatically subtracted from the Guaranteed Minimum Hours, if any;
2. Customer, in its sole discretion, may allow for a make-up shift in the same pay period and no time worked as a result of the make-up shift counts as Overtime; or
3. Customer, in its sole discretion, may decide to offer an extension of the Staff Booking by the same amount of time that the Booked Staff was absent from the scheduled shift or series of shifts. If Agency agrees to the extension, no time worked as a result of the extension counts as Overtime. If Agency does not confirm availability of Booked Staff for extension of the Staff Booking, then the time that the Booked Staff was absent from the scheduled shift or series of shifts is automatically subtracted from the Guaranteed Minimum Hours, if any, under Section V.F.1.

G. Special Circumstances Exceptions. From time to time, Agency and Customer may mutually agree to cancel one or more shifts in any Staff Booking without cost or penalty to either Customer or Agency. If Customer and Agency mutually agree to cancel any shift or series of shifts under this Section V.G., then:

1. Customer, in its sole discretion, may permit the Booked Staff to work the remainder of the Staff Booking as scheduled, and the time that the Booked Staff was absent from the scheduled shift is automatically subtracted from the Guaranteed Minimum Hours, if any;
2. Customer, in its sole discretion, may allow for a make-up shift in the same pay period and no time worked as a result of the make-up shift counts as Overtime; or
3. Customer, in its sole discretion, may decide to offer an extension of the Staff Booking by the same amount of time that the Booked Staff was absent from the scheduled shift or series of shifts. If Agency agrees to the extension, no time worked as a result of the extension counts as Overtime. If Agency does not confirm availability of Booked Staff for extension of the Staff Booking, then the time that the Booked Staff was absent from the scheduled shift or series of shifts is automatically subtracted from the Guaranteed Minimum Hours, if any, under Section V.G.1.

VI. TIMEKEEPING

A. Staff Compensation Distinguished from Price of Services. Before any Staff begins any Staff Booking, the Staff must acknowledge in a written document signed by the Staff and provided to Agency, that: (1) the Staff is an employee of Agency; and (2) no Customer is liable to the Staff for any wages, salary, employee benefits or other compensation, or for any expense reimbursement for any work performed by the Staff under this Agreement.

B. Guaranteed Minimum Hours for Staff.

1. There are no Guaranteed Minimum Hours unless the Booked Staff is an Assigned Traveler Staff or a Local Long Term Booked Staff.

2. If Customer orders a Traveler Assignment or Local Long Term Assignment, Customer must schedule the assigned Traveler Staff or Local Long Term Staff for Guaranteed Minimum Hours. The Guaranteed Minimum Hours for Travelers and Local Long Term Staff is, in Customer's sole discretion, either (a) (48) forty-eight hours per week, or (b) (72) seventy-two hours for each consecutive two-week period, and (36) thirty-six hours in the final week of the assignment if the assignment is for an odd number of weeks.

3. Any Overtime worked counts toward the Guaranteed Minimum Hours. At Customer's sole discretion, Customer may schedule a Traveler Staff or Local Long Term Staff to work time in excess of the Guaranteed Minimum Hours. Any Overtime worked by a Local Long Term Staff will be billed at the Overtime Bill Rate unless specified otherwise under the general Overtime rules below.

C. Timesheets. Customer may require Booked Staff to round off time that the Booked Staff records on Customer's timekeeping records to any time increment that is permitted by law and that is in accordance with the Customer's usual and customary timekeeping policies.

D. Overtime. Customer has no responsibility to pay Agency for any Overtime, despite any obligation Agency may have to pay Staff, unless: (1) Customer schedules the Staff to work Overtime (in writing) or, if the Overtime is unscheduled, the Overtime worked is approved in writing before the Booked Staff works the Overtime by a person with authority to order Staff under Section II.A of this Exhibit D; (2) Agency notifies Customer as required under Section VI.D of this Exhibit D; and (3) the Overtime is properly invoiced as set forth in Section 4.4 of the Agreement.

E. Cumulative Time. If Agency assigns any Staff to work more than one assignment in any Payroll Period (including assigning the Staff to work more than one Staff Booking for the same or different Customer facilities), then Agency must notify each person who orders Services for that Payroll Period of the approximate number of hours that the Staff is scheduled to work during that Payroll Period so that the Customer may make an informed determination regarding the potential overtime the Staff may work.

F. Excess Time. Customer has no duty to pay for any Excess Time. Examples of Excess Time include

1. time resulting from a Booked Staff reporting to work early or working late (except as requested and approved in writing by Customer prior to the Staff's working during that time),

2. time resulting from a Booked Staff's failure to take a required meal break (except as requested and approved in writing by Customer prior to the Staff's working during that time), or noted on a written or electronic timecard or any timekeeping record submitted by Customer to Agency and,

3. time resulting from a Booked Staff's failure to take any other required break (except as requested and approved in writing by Customer prior to the Staff's working during that time) or noted on a written or electronic timecard or any timekeeping record submitted by Customer to Agency.

For the avoidance of doubt, Customer has no duty to pay for any state or federal regulatory penalties that Agency may incur as a result of any Staff's failure to take a meal break or other break, unless:

a) the Customer has requested and approved in writing on the Staff's timecard that the Booked Staff perform Services during the meal or other break prior to the Booked Staff's working during the meal or other break,

b) the Agency is required by law to pay a penalty for the missed meal or missed break, and

c) Agency provides proof to Customer that Agency has paid the penalty for the applicable missed meal or missed break to the appropriate Staff.

VII. CUSTOMER POLICIES

A. Use of Customer's Property. Customer may, from time to time and in its sole discretion, provide various pieces of equipment to Booked Staff for use in the performance of Services, such as pagers, phones, and medical equipment ("Equipment"). Staff must return all Equipment to Customer at the end of each shift in the same condition that the Staff received the Equipment. If any Equipment is damaged, lost, or stolen while in the Staff's custody or control, then Agency must reimburse Customer for the cost of replacing the Equipment.

B. Investigation of Customer Complaints. Agency must immediately investigate any written complaint against any Staff that Customer makes to Agency. Agency must provide Customer with a written report indicating that Agency investigated the complaint and describing any disciplinary action that Agency has taken or intends to take with regard to the Staff. Agency must provide this report within 14 days or upon conclusion of the investigation, whichever is earlier. If an investigation may take longer than 14 days, Agency must, at a minimum, provide a written acknowledgement of the complaint and detail steps on how it will investigate such complaint.

C. Reporting of Incidents Involving Staff. Customer shall report to Agency any unexpected incident known to involve any Booked Staff (such as Booked Staff errors, unanticipated deaths or other unanticipated patient-related events or injuries known to be attributable to Booked Staff, and any safety hazards known to be related to the Services provided by Booked Staff) if the incident may have an adverse impact on the Customer or Agency.

Should Broadlane or Customer become aware of an incident or claim which may give rise to a claim under Agency's professional or general liability policy of insurance, Broadlane and Customer agree to promptly notify Agency of the nature of the claim and report all necessary information related to the claim.

D. Natural Disasters and Other Emergencies. In Customer's sole discretion, Customer may require Booked Staff to participate in Customer's natural disaster and other emergency response activities, if any, as part of any Staff Booking. Agency must also comply with this Agreement during any natural disaster or other emergency.

VIII. MISCELLANEOUS

A. Broadlane's Inspection of Agency for Service Levels.

1. Frequency; Scope. From time to time and in Broadlane's sole discretion, Agency must permit Broadlane or a third-party auditor appointed by Broadlane to conduct an investigation of Agency's books, invoices and records relating to the level of service that Agency provides Customers, for the purposes of determining whether Agency is in compliance with the following terms and conditions of this Agreement:

- (a) Section 3.2 of this Agreement (Employment Status of Staff);
- (b) Section 3.4 of this Agreement (Notification to Broadlane of Circumstances That Could Affect Services);
- (c) Section V.D of Exhibit C (Equal Opportunity);
- (d) Section I of Exhibit D (Eligibility for Assignment); and
- (e) Section III.D of Exhibit C (Insurance).

In addition, Broadlane may require Agency to certify in writing Agency is in compliance with the Agreement sections cited in this Section VIII.A.1.

2. Reimbursements. If any investigation reveals that Agency is not in compliance with the sections referenced in this Section VIII.A, then Agency must reimburse Broadlane for all costs and expenses incurred in conducting the investigation.

3. Procedures. All investigations pursuant to this Section VIII.A must be conducted (a) upon reasonable prior written notice during the regular business hours at the location where Agency keeps the relevant records; and (b) in a manner not to unduly interfere with Agency's operations. If any investigation conducted pursuant to this Section VIII.A produces documentation indicating that Agency is in breach of any of the sections referenced in Section VIII.A.1, then Agency must resolve any issues regarding that investigation conclusion within 30 days after presentation of the investigation results to Agency. If any issue regarding investigation conclusions is not resolved within 30 days after presentation, or if Agency refuses to certify in writing that Agency is in compliance with the Agreement sections cited in Section VIII.A.1, then Broadlane may immediately terminate this Agreement.
